

# **Focusing on You: UHealth Dermatologist Offers Relief to Chronic Itch Patients**

Those suffering from atopic eczema experience life-changing treatment.

In this segment, Gil Yosipovitch, M.D., a dermatologist and Director of the Miami Itch Center at the Dr. Phillip Frost Department of Dermatology and Cutaneous Surgery, part of the University of Miami Health System, discusses chronic itch and how a new class of drugs called biologics is changing the lives of patients. Rachael Bronstein is one of those patients.
